

## Dancing Scarecrow Written Instructions

1. Print the Happy Dancing Scarecrow template on card stock or heavy paper
2. Then glue bits onto your scarecrow: fabric scraps, buttons, felt, trimmings, straw yarn, ribbon, burlap scraps – anything you like!
3. Connect the parts loosely with paper fasteners or brads so that arms and legs move
4. Glue or tape a paint stick or any stick to back of your scarecrow
5. Now play your favorite music, make up a dance for you and your scarecrow to perform for your family and friends.

Happy dancing!!!
